

A vibrant sunset scene over a teal ocean. The sky transitions from a deep purple at the top to a bright orange near the horizon. A large, glowing yellow sun is partially hidden behind a semi-circular rainbow. The text "FIND BEAUTY IN THE SMALLER THINGS" is written in a white, sans-serif font, arching over the sun. The ocean below is filled with numerous small, light blue ripples, and a vertical reflection of the sun and rainbow is visible on the water's surface.
