

A vertical poster for Transgender Day of Visibility. The background is a light purple with several white four-pointed stars. On the left side, there are two large, stylized rainbow arcs made of thick bands of red, white, and blue. A white horizontal line runs across the lower half of the image, ending in a white outline of a heart. Above the heart, a white ECG line (heart rate monitor) is drawn, with one prominent spike. The text is positioned in the center-right area.
